

BCA Achievement Testing - 9th Grade

Sat-10 testing will begin immediately following homeroom on Monday and Tuesday, April 11th and 12th and continue both days until 12:45pm.

It is important each student eats a good, brain-healthy breakfast and gets plenty of rest.

Please make every effort to be on time for homeroom. Testing will not be held Wednesday, April 13th, and if the class does not finish all tests on Monday and Tuesday, we will continue on Thursday morning until they have been completed.

Each test will be TIMED. However, if you do not complete the test in the allotted time, you will be permitted to complete the test before the rest of the class moves on to the next section.

Bring the following with you to testing:

- Calculator
- Ruler
- #2 Pencils
- Scratch paper for math portions
- Snacks and water (NO sodas or juice of any kind)
You may also bring your own cup and refill at the nearby water fountains if you prefer
- Book or magazine to read if finished the test before others

Absolutely NO iPods, cell phones, or other electronic devices will be permitted during test hours. If a student is caught with any of these, it could jeopardize their ability to complete their testing.

Monday and Tuesday Schedule:

8:45-12:45, testing

12:45-1:32 – Lunch

1:37-2:27 – C/G Block

2:30-3:20 – D/H Block
